PRESS RELEASE

Agreement between PPC – VIOHALKO to sign a contract for the supply of electricity

PPC S.A. announces that following constructive negotiations, an agreement to sign a contract for the supply of electricity has been reached between PPC and VIOHALKO Group.

The basic terms of the contract are the three year duration representing a long - standing request of the conglomerate, and the 10% increase of the price of the energy component while maintaining unaffected all the other parameters of the tariffs for the period 2016 -2018, taking under consideration the Group' s total consumption.
